Subject: Call to ACACSO Spring Meeting: May 13th, 14th, and 15th, 2026 – Louisville, KY

Dear Member or Industry Contact:

ACACSO's Annual Spring Meeting will be held on the 13th, 14th, and 15th of May at Embassy Suites Louisville Downtown, in Louisville, Kentucky. As usual, this meeting will be packed with informative presentations. In addition to these presentations, you will have a chance to meet your peers from the industry. Problems are many times easier to solve when you know the right person to call. To foster the building of professional relationships and a sense of common cause, the association's customary Wednesday evening reception/dinner. The Wednesday night dinner will include a cash/bar social hour, buffet dinner, and Louisville's most famous pastimes! We will meet in the lobby at 4:45pm to depart.

The preliminary agenda is enclosed for your review. The Agenda Committee has been working very hard to provide you with some exciting and informative presentations. Some of the topics that will be presented are:

- AAR/Railinc planned updates CHDX & Claims
- Washington Update
- OT Circular modifications
- New 'Fireside Chat' on Car Hire Rates and Counter to Counters
- SCO 90 review

The ACACSO meeting is a great place to learn more about Car Hire and Car Service topics, as well as meet with your peers and establish a network. The Agenda Committee worked hard to take suggested topics for presentations from last year's meeting to form this year's agenda. You will have opportunities to ask questions and share your knowledge. The Association's goal is to bring information about topics which affects the industry to the members.

Meeting registration fees are only \$175 for pre-registered attendees (more for late registration) – this may be the best value for any rail industry event.

Please see the Association's web site, www.acacso.org, under the "Meetings" tab for information on the hotel and how to make reservations. The hotel for this meeting has a link already set up for the ease in making your reservations. The site will also have the most current version of the agenda.

The entire ACACSO Executive Committee is excited about this meeting, and we look forward to seeing you in Louisville, Kentucky. If your responsibilities include Car Hire, Car Service, Fleet Management, UMLER or Deprescription you need to be at this meeting! Please do not delay, make your hotel reservations today – our block of rooms will only be held through April 13th.

Sincerely,

Todd Poland
President
